Early Years Playground

We are absolutely thrilled to share that we have been successful in securing almost £35,000 to redevelop our EYFS playground! This exciting project will transform the outdoor play area for our Reception and Nursery children, making it an even more engaging and inspiring space.

The plans include re-tarmacking the entire area, adding new bike sheds, installing sandpits, road markings, Astro-turf and a new climbing frame (pictured below), and much more. Work is set to begin very soon, with the aim of completing the transformation by the end of December.

If you're considering a Reception or Nursery place for your child in September, we'd love to show you around - please contact our office team to arrange a tour or have a chat with a member of our Senior Leadership Team.

Dear God,
Thank you for the fun and the learning that we have had this week.
Help us to say thank you to our grown ups who help us and look after us.
Amen

Our Christian Value this term: **Thankfulness**
