Making Puppets in Year 1

Year 1 had a fantastic time during their DT day, where they explored the exciting world of puppet-making! The day began with the children designing their own puppets, carefully deciding on the accessories they wanted to include, such as buttons and eyes, to make their creations truly unique. With their designs in mind, they then carefully cut two pieces of felt, glued on their chosen accessories, and carefully joined the two pieces together to bring their puppets to life.

It was a fun and creative day, and the children were thrilled to see all the puppets they had created!
