## Learning in Rowan Class

In Rowan Class, we have been exploring the Jewish festival of Sukkot, also known as the Festival of Tabernacles. This special 10-day celebration is a time to reflect on and give thanks for all the good things God has done for us. It shares similarities with our own Harvest Festival, as both focus on gratitude and the blessings of nature. As part of our learning, the children had great fun building a cosy little shelter for Grey Bunny and Foxy, just like the traditional sukkahs used during the festival!

We are creating a brand-new reading corner in our classroom, and our theme is woodland—a cosy and inviting space where stories come to life. Every Wednesday, a different child brings in a book from home to share with the class, making our reading time extra special.

Last week, Mianna introduced us to an inspiring book about Helen Keller, who, with the help of her teacher, developed a way for deaf individuals to communicate.
