Linden Class

Linden Class really enjoyed their trip to the Natural History Museum this week. We felt the ground shake in the earthquake simulator. We explored the exhibitions, looking at earthquake-proof buildings, volcanic rocks, crystals and lots of interactive displays teaching us about the causes and effects of earthquakes and volcanoes. We even had time to visit the dinosaurs at the end!

Dear God,

We thank you for a wonderful term with our friends and teachers. We ask for a good rest over the holidays. Dear Lord Jesus, thank you for dying on the cross for us and taking away our sins. Thank you for the joy of your resurrection, so that we can enjoy new life in you.

Amen
