Walking the Dogs at Regent's Park

It involved a lot of mud 😊

Sycamore Class

Art

This term we have been looking at the German artist Hannah Hoch and her amazing collage work. We took inspiration from one of most famous pieces and created our own surreal collage portraits. Can you guess who they are?

Geography

In Geography we have been looking at people and their communities with Olly. This week we looked at the Awá tribe and investigated how they might build their houses in the Amazon Rainforest! We then compared it to the houses we see in London.

Maths

This term we have been learning about length and height, weight and capacity. We have been experimenting with different containers and using new vocabulary to talk about what we are observing.

JAM CLUB WEEKEND

Thank you Anita, Sylvie and Paula for taking our JAM Club children to the Cotswolds for the weekend. The children went climbing and hiking and they learnt survival skills, including how to light a fire to toast marshmallows. They enjoyed learning more about their faith. It was a wonderful experience! More photos can be found on our website: www.cchurchnw1.camden.sch.uk

Dear God,

Thank you for the universe, the shining stars and all of the planets in the solar system. Sorry for not always taking the time to listen to our friends.

Please help use kind hand and kind words to make the world a better place.

Amen
