3:30-4:30pm Y5/Y6 Boys' Football Club

We are enjoying our beautiful, new mosaic in the playground which helps us to remember our Christian vision and values.

Pupils from last Y6 last year created this with artists Sian and Carrie.

Well done, everybody!

## Oak Class to Year 7

We are so proud of our ex-Year 6 children who have made an excellent start to their secondary school careers.

Here are some photos of them in their smart, new school uniform.

The World Reimagined organisation has created 103 unique globes across the UK created by a range of incredible artists.

We have been lucky enough to have one of the amazing globes created by artist Bryony Bengé - Abbott in our playground this term.

This globe is inspired by the legacy of Kenyan environmental activist Wangari Maathai, who the children have been learning about in class.

In response to this, the children have been creating their own globes to display in school.

## Willow Class

In Willow Class, we have been investigating the place value of numbers to 1,000,000. Well done for this fantastic practical work.

Willow Class have been sketching ideas for their Globe Project

## PE Kits

Thank you to all parents who sent PE kits in for their children to wear.

Please note that children must come to school in the mornings wearing their school uniform.

They will then change into their PE kit ready for their lesson.

This promotes independence and good habits for exercise later in life.

Dear God,

Please bless all our teachers, friends and relatives as they make their way back to their classrooms for another year.

Help them to feel excitement and joy in the promise of a new start.

Give them everything they need to grow and learn this year.

Amen

Prayer by Willow Class

Our Christian Value this term is: Creation
