## Oak Class to Year 7

We are so proud of our ex-Year 6 children who have made an excellent start to their secondary school careers.

Here are some photos of them looking smart.

# DIGITAL LEADERS

Do you want to be one of Christ Church's first Digital Leaders? This year we are looking for 2 Digital Leaders in each Key Stage 2 class (Year 3, 4, 5 and 6).

Digital Leaders help:

Run a lunch-time club

Run e-safety assemblies

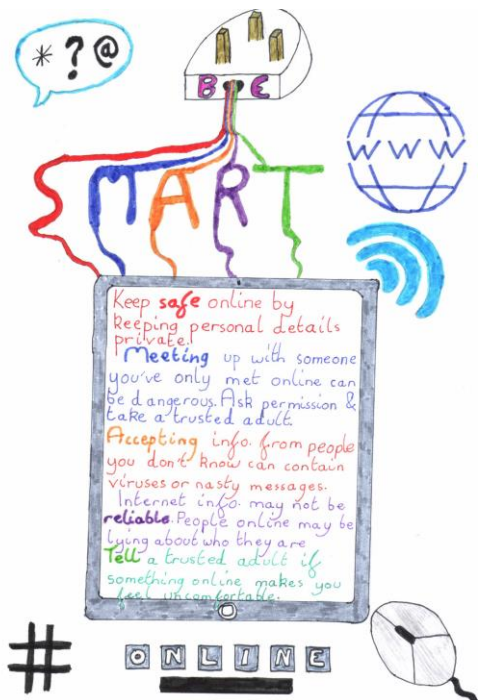

Help test new apps for school

And much more!

**To apply to be a digital leader you will need to:**

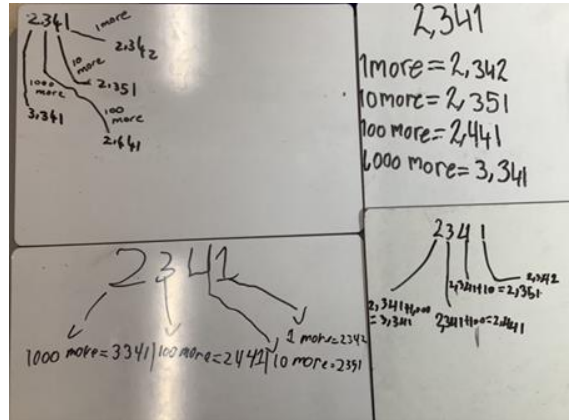

Create a poster about staying safe on the internet. You can use the SMART rules to help you with your poster. Please ensure it is no bigger than an A4 sheet of paper

**Please return all completed posters to Michael by Monday 30<sup>th</sup> September**

## Cedar Class

In Cedar Class this week we have been learning about numbers and place value up to 10,000. We have been learning how to partition numbers in different ways and finding 1, 10, 100 and 1000 more/less of a given number. It has been fun using *Dienes* to help us understand the value of each digit in a number. We look forward to learning more about bigger number and the value.

This week in Art we have been using our sketch books and looking at different shading techniques.

Today the Christ Church Community said 'Good-bye' to ex-pupil Rashana Shirley.

Staff remember him as a very kind boy who had an amazing sense of humour. All the staff who taught him recall his cheeky smile, his thoughtfulness towards others and his caring nature.

May he rest in peace and rise in glory!

We send our love and prayers to his mother, Trudy and all of his family.

Dear God,  
Thank you for the school lunches we get at school every day.  
Thank you for the adults in our lives.  
Please helps us to continue to take care of the environment.  
Amen

Our Christian Value this term is: Creation
