ROWAN CLASS

In Art we have created small globes showing animals free and roaming and not endangered. We have been inspired by the life of Wangari Maathai, a Kenyan author and activist who founded the GREN BELT movement. She encouraged people to look after the environment.

In Maths we have been using words and numerals. We have also been learning about flexible partitioning.

In English we have been learning about expanded noun phrases and writing a setting description, based on our book "The bear and the piano", by David Lichfield.

Dear God,

Please walk with Hollie as she prepares for motherhood and guide her and protect her until she returns to us with her new baby.

Amen
