Meet the Teacher and Secondary Transfer

This week's Meet the Teacher events give you the opportunity to meet your child's new teacher and to hear about the learning planned for their class. Please collect your child as you normally would at the end of the school day and wait outside the main entrance. When class teachers are ready to welcome you in, they will come to get you. Year 4's event has taken place at the end of last year, as Ross thought he may be on paternity leave. If you missed that but would like to speak to Ross, please feel free to make an appointment.

Y6 Parents: There will also be a meeting for Y6 parents to receive important information about the secondary transfer process.

Holly/Nursery Class

There are still a couple of spaces in our Nursery Class so if you or someone you know has a three-year-old who may benefit please ask at the office.

Uniform

Earlier this week, a letter was sent out to parents/carers of children in Y1-Y6 regarding the PE uniform. If you still need to purchase a yellow t-shirt with the school logo on, orders can be placed directly at: www.brigadeuniformdirect.uk.com.

There is second-hand uniform for sale at the office. If you have any uniform that is in a good condition and that you no longer use, please consider donating it to the school.

Football Trials

We were really happy and proud to see so many boys in Y5-6 try out for the school football squad this year. Merits were awarded to all of the children who were brave enough to sign-up and take part. We will do our utmost to arrange some "B team" friendly matches in the second half of this academic year so that the boys who did not make the final squad can gain some competitive experience. It will be tough to emulate last year's Camden South League-winning season, but we're sure our Boys' Football Squad will give it their all.

We were also delighted at the number of girls who have signed up to be a part of the Girls' Football Squad this year. Coach Rae can't wait to get going with you on Monday!

New Business Enterprise

One of our parents has started a new business enterprise called GAMAAL, an app aimed at connecting customers with chefs cooking home-made food. A pilot test will be launched soon. If you are interested in taking part in this, as either a customer or chef, your interest can be registered through this short Google form:

Did You Know....

Regent's Park has its own football club, named Regent's Park FC, which provides sessions for boys and girls of all different age ranges. Training sessions and matches tend to be on Saturdays or Sundays. In fact, if you take a leisurely stroll through Regent's Park on a weekend morning, you'll often see a Christ Church boy or girl taking part in the leagues that are based there. More information about our local club, Regent's Park FC, can be found at: https://regentsparkfc.com/site/home_new/

Dear God,

*Thank you for all of the people you made
who are gifted with hearts of love,
Thank you for all of the beautiful plants and
flowers you created -
they make us calm and they provide homes for
some of the animals.*

*Thank you for creating Heaven too, a place for someone
we've lost to be safe with God.*
