## Abracadabra!

What a difference a week makes!

Where one week earlier Year 6 had been sampling the delights of their SPAG SATs paper, this week they were at the Magic Circle, in Euston, getting a history lesson all about magic. They were treated to a performance; guided around an enchanting library full of interesting artefacts and taught how to do mind-bending tricks of their own. Thank you to everyone at the Magic Circle for inviting and hosting us - it was magical.

## Learning in Willow Class

Willow Class really enjoyed their visit to the National Portrait Gallery on Tuesday. We took part in a workshop about the migration stories of different people who have come to the UK. We got to be detectives searching for clues in the galleries to discover facts about their amazing lives. Here are some of our thoughts on the experience:

I liked how we got to know different people and what they have been through in the past. - Esha

I loved the paintings that had a little bit of history in them. I also really enjoyed talking to the adults at the gallery. - Nainsi

I loved the trip to the National Portrait Gallery because we got to be detectives and look for clues about portraits, migrants and their jobs. -Khadijah

We were so proud that Christ Church senior choir represented the school at the Royal Albert Hall in April. It was wonderful to see them singing with many other schools from the Camden area.

**Dear God,**

*We pray for our communities, families and friends: that we may care for each other as Jesus taught us, and change all our lives for the better. We pray especially for the poorest communities without healthcare, clean water or enough food. Give us the strength to help those in need.*

**Amen**
