Cedar Class Pottery

Cedar class have been developing their pottery skills. They looked at photos of ancient Anglo-Saxon pottery and used this to inspire their own creations. They used the coiling technique to create these shapes.

Babylon Park outer space-themed amusements for children and young people with SEND - Sunday 29th October

Babylon Park, an outer-space-themed amusement park in Camden, is offering special morning slots on Sunday 29 October for children and young people with a range of special educational needs and disabilities, including autism and ADHD. Please see more details attached. For other half-term activities for children and young people, please <https://www.camdenrise.co.uk/things-to-do>

We have come to the end of a very successful first half term of the academic year.

This week we had two monitoring visits from the LDBS and Camden LA and our visitors were very impressed with the children's attitude to learning, smart presentation and excellent behaviour. Stephen Hall (Chief Executive of Camden learning) described the school as a wonderful, calm oasis.

Well done everybody, we all felt very proud of ourselves!

We are so grateful for the kind harvest donations from St Mary Magdalene's Church- thank you to anyone who contributed.

Please remember to support your child's reading over half term and we look forward to seeing you all again, (in the correct uniform) after the break.
