### Christ Church Instagram Page

Very soon, we will be launching our school's new Instagram page (@christchurchnw1) to help celebrate and promote the wonderful life here at Christ Church School. Having a profile via social media will help us to engage with our current families at school and share with prospective families what our school is about and how our children achieve.

As part of this, we would like to share photos of work, activities and life in school which would include pictures and videos of children.

### Weekly Prayer:

Dear God,  
Thank you for helping us to settle back into our important routines quickly,  
Thank you for giving us lovely new resources to use this term,  
Thank you for providing us with adults who will help us to achieve our best this year.  
Amen

## Learning in Chestnut Class

We've had such a lovely week welcoming lots of new children into Chestnut Class! Over the past few days, they've been busy making new friends, exploring all the exciting areas of the classroom, and getting to know our daily routines. We are so proud of how quickly they've settled in – their resilience, smiles and enthusiasm have been wonderful to see.
