Return to school for all pupils

We're thrilled to celebrate Paulo, the Captain of his football team, who continues to impress us both on and off the field. Playing in the Under-11s category—one level above his age group—Paulo led his team to victory, securing their second Cup of the season. His leadership, skill, and determination make us incredibly proud. Well done, Paulo!

Important Notice: Electric Scooters

Starting in September, electric scooters will no longer be permitted on school grounds, due to the significant fire risks posed by unsafe batteries, including the dangers of overheating in hot weather or exposure to rain.

For the safety of all our pupils and staff, any electric scooters brought to school must be returned home. School staff will not permit these on the school site. We encourage all children to find healthy ways to travel to school, such as non-electric bikes and scooters. Thank you for your understanding and support.

KS1 Sports Day

Today, the KS1 children took part in an exciting and energetic Sports Day filled with a variety of fun events. They joined in running races, javelin throwing, long-distance running, the ice cream scoop race, the pitter patter race, and even the pancake race. A highlight of the day was the egg and spoon race, where the children competed alongside their parents - it brought lots of smiles and laughter. Kymani said he had lots of fun and that his favourite event was the long-distance race. Yahya enjoyed flattening the pancake the most. Mohamed said he liked the javelin because it required precision and good aim. Brodie's favourite was also the long-distance race, as he said he is "speedy at running." The day was full of cheering, teamwork, and great memories for everyone.

Dear God,

Thank you for the opportunity to do sports day.
Please help us show good teamwork in sports.
Sorry for being jealous when others win.

Amen

Prayer by Kymani, Yahya, Mohamed and Brodie
