Dear God,
Thank you for the people who love us.
Thank you for the peace.
Thank you for the animals.
Sorry for cutting down the trees,
Sorry for hurting people.
Please help us to not throw rubbish in the ocean.

Amen

Prayer by Sycamore Class

Our Christian Value this term is: **Wisdom**

Coram Fields Football Tournament

Well done to all of the children who represented the school football teams at Coram Fields last week. The girls played six, won two, drew three and lost one match. The boys played six, won one, drew one and lost four. As ever, it was a great learning experience and we look forward to reconvening as a team in September.

Eliza's 5k for charity.

Earlier this month, on Sunday 6th June, Eliza took part in a 5km "Walk for a Cure" at Alexandra Palace, walking in memory of her grandad. The event aimed to raise awareness and funds for dementia and Alzheimer's research. Eliza showed great determination and compassion, helping to raise over £600 for this important cause. We are incredibly proud of her for taking part and making such a meaningful contribution.

Year 6 to Camden Highline

Tuesday, Year 6 took part in an education day run by Camden Highline, in collaboration with Urban Learners.

They explored Camden Town's industrial heritage through a walking tour before returning to Camden Collective to contribute to a piece of collective artwork. The workshop was funded by the National Lottery Heritage Fund as part of *Tracking the Heritage*.

The children learnt so much about the Camden Highline, which is a new park that is being created above street level on a section of disused railway running from Camden Gardens to York Way, near King's Cross.

Thank you to Alex, Venetia and George for an engaging and informative day. For more information on the project, please see www.camdenhighline.com
