**Dear God,**

Thank you for our local food banks and all the schools who raise money for them.

Please give us the courage to help the poor in our community.

**Amen**

## Chestnut Class visit Pizza Express

On Tuesday, Chestnut Class had an amazing time on their trip to Pizza Express! The children had lots of fun becoming little chefs, making their own delicious Margherita pizzas. They started by gently pressing out the dough with their fingers, then carefully spreading tomato sauce with a spoon. Finally, they sprinkled plenty of cheese on top, ready for baking!

## Learning in Linden Class

We have had a busy week in Linden Class.

On Monday, we were invited to a dance session at the Old Diorama

On Wednesday morning, Anita from the CLC, taught us how to use Book Creator.

Finally, on Wednesday afternoon, we took part in a drama workshop led by teachers from the Hall School.

## Cookie visits Year 4

This week Cookie visited some of the children in Year 4. They enjoyed going out into the playground to play with Cookie!

## Camden Primary Maths Team Challenge

What a fantastic day! Our Year 6 team represented our school with pride, demonstrating incredible teamwork, resilience, and mathematical skill at the Camden Primary Maths Team Challenge held at Rosary Primary School. Competing against 12 schools from across Camden, they tackled tricky maths relays and collaborative challenges, securing an impressive 5th place! A huge well done to our brilliant team for their hard work and determination—you've done us proud!
