Parents and carers in EYFS and Key Stage 1 are warmly welcomed to join us in the classroom from 8.50am-9.15am to share and enjoy storybooks with your child. This is a lovely opportunity to spend some time reading together and to help foster a love of books. We look forward to seeing lots of you in Nursery, Reception and Year 2.

Thank you for the opportunity of learning new skills and ways of staying safe. Sorry for not always listening and following instructions. Please help us to continue to have a great term.

## Learning in Willow Class

Willow Class has had an amazing start in Upper Key Stage 2. We have started the term with great enthusiasm and ready for all the exciting experiences in Year 5. This week we had a visit from the London Fire Brigade and the children were extremely excited to learn about fire, how to prevent it, how to stay safe and what to do in the event of a fire.

They were all active and keen participates. They took part by answering and asking lots of questions. At the end of their discussions, children were given the chance to be fire detectives and investigate the cause of five different fire incidents. They worked together as a class and were able to identify the cause of all of the fire incidents.

Because of their great detective work, they won an exciting trip to their local fire station! We are very much looking forward to this trip and cannot wait to go.

We also worked to make our contributions to the whole-school writing and art displays.

In art, we created self-portraits based on the PopArt style of Andy Warhol.

Here are some of the finished products:

## Harry is a Kentish Town Player and James Wins Big at Produce Show

A big 'well done' to Harry for making his debut for Kentish Town FC on Saturday. A thumping 6-1 win was the perfect way to start their new season and Harry looked very comfortable on the right wing, getting in behind on a couple of occasions and showing good positional awareness throughout.

There will be lots of current and ex-Christ Church pupils at the park this Winter season, so keep a close eye out for familiar footballing faces if you head across there to walk the dog or grab a Saturday morning coffee.

If you have any pictures of your children competing or performing, please do feel free to send them in to the school office email address. It is lovely to be able to profile what the children are getting up to and achieving outside of school, such as...

James, in Year 2, who swept up lots of awards at the Tottenham Flower and Produce Show recently. Great job, James!
