Farm Visit

We are thrilled to announce that on Wednesday 1st October the **farm** (rabbits, ponies, lambs, chickens, goats) will be visiting Christ Church!

The animals have kindly agreed to stay at school for home time so that parents and carers can also say 'hello'.

It should be a delightful day. However, if you do not want your child to interact with the animals, please inform us by emailing or calling the school office. **A further letter about this will be sent out on Parent Hub.**

Well Done lihan!

We are so proud of lihan who has shown great resilience and determination in her Majorettes. She tried really hard in her 1 Ribbon Trio and her Flag Trio, which she placed 2nd in. Well Done lihan!

Secondary Transfer Forms:

Year 6 parents, if you would like any support completing the 'eAdmissions' forms for secondary school applications, Jo, Amy and Ross will be available from 15:45-16:45 on Thursday 16th October to help you through the process. If you think you would like support on the 16th, please could you let us know by booking an appointment through the school office?

Learning in Cedar Class

Cedar Class have settled in really well to their new classroom and are building momentum each day. Across all of their learning, we have been asking the children to present their work and thoughts to their peers as much as possible. I have already watched many of the children challenge themselves to do this confidently, which has been great to see.

In the photos of the children's learning, you will see: some superb self-portraits produced 'in the style of' Frieda Kahlo (and expertly framed and backed by our lovely TA, Amy); manipulatives being used in maths lessons to help them find 1, 10 and 100 more or less of a given number; interviews between the Rajah and Rani in our English text *Cinnamon* as well as news reporters bringing us all the latest action from the royal palace and wonderful moments from our skipping workshop on Monday with the excellent, Tilly.

Three weeks in and we are busy, busy, busy! I want to say a big WELL DONE, too, for Fadi and Nwanneka who are leading the way in IXL homework this year so far. Great work! Ross

Stay and Read

Thank you to all the parents who joined us today for our first 'Stay and Read' event for Nursery to Year 2. The children loved spending time reading lots of their favourite books with everyone who came along. We are looking forward to hosting another 'Stay and Read' at the end of October.

Prayer:

Dear God,

Thank you so much for the food we eat.

Thank you for the sun.

Thank you, God, for this World.

Amen

Prayer written by Max – Cedar Class

Our Christian Value this half-term is:

Wisdom
