<b>Friday 1<sup>st</sup> May</b>	

### International Day and Evening

**Thursday 7<sup>th</sup> May-** please check the letter that your child has brought home this afternoon.

### Online Safety Tip of the Week

#### SafeSearch

Most web search engines have a 'SafeSearch' function, which will allow you to limit the content your child is exposed to whilst online. Look out for the 'Settings' button on your web browser homepage (often shaped like a small cog).

### Jewellery and Valuable Items

In line with our school policy and to ensure the safety of all children, pupils are only permitted to wear **small stud earrings**. Hoop earrings, dangling earrings and other forms of jewellery are not allowed, as they can pose a risk during play and physical activity.

We also ask that children do not bring **valuable items** into school. This includes jewellery, toys, or any personal belongings of significant value.

The school cannot take responsibility for any items that are lost or damaged.

### Prayer

Dear God,  
Thank you for the books  
Thank you for the sunshine  
Thank you for the mud kitchen  
Thank you for the costumes  
Please let us have a lovely weekend  
Amen

Prayer written by Lorella

## Learning in Holly Class

Holly Class have had a great start to the summer term and are enjoying our topic- *Superheroes*. The children have had lots of fun dressing up as superheroes and using their imagination in their role play.

In maths, the children have been learning how to select two objects from a large group of objects.

We read our book of the week 'Supertato'. The children enjoyed retelling the story to their friends using the book and props. The children created their own 'supertato' using collage materials and their creative and imaginative skills.

Holly Class have been exploring and playing in the new mud kitchen. The children have been scooping the mud into the containers and serving their friends an 'ice cream' from the menu. They are having lots fun playing in the ice cream parlour.
